PURPOSE

WHEREAS, Government of Madhya Pradesh (GoMP) plans to expand and improve its higher education institutions with a view to improve the state's higher education system's outcomes to national and international flagship standards. This is being achieved by undertaking a comprehensive and sustained package of reforms and capacity building measures which improve the efficiency and effectiveness of all government Higher Education Institutions (HEIs) operating in the state. At the institutional level, GoMP is targeting both building academic, research and managerial capacity, increasing autonomy in order to better align institutions with local needs, and pursuing excellence of academic departments.

The objective of the Madhya Pradesh Higher Education Quality Improvement Project (MPHEQIP) is to improve student outcomes, especially of disadvantaged groups, in selected higher education institutions and to increase the effectiveness of the higher education system in Madhya Pradesh. The project will focus on the following thematic areas in higher education:

- (a) Excellence and employability through better quality of education services offered, improved teaching-learning resources, and research.
- (b) Expanding equity and access.
- (c) Strengthening sectoral and institutional governance and financing, and management (including better monitoring and evaluation in the sector).

AND WHEREAS the comprehensive description, implementation and operating conditions for the Project are contained in the document entitled the Project Appraisal Document (PAD), the Financial Management Manual (FMM), the Procurement Manual (PM), and the Environment and Social Management Framework (ESMF).

AND WHEREAS the MPHEQIP comprises three components. Under Window-1 of Component 1, the Colleges have been selected to receive financing, to pursue the goals set out in its Institutional Development Plan (IDP), as approved by the Department.

NOW THEREFORE the parties agree as follows:

SECTION - I

As conditions for receiving a Planned Grant, the College agrees to:

- a) Implement the Institutional Development Plan (IDP) and take all necessary actions to achieve the goals set out in the IDP, including, but not limited to: entering into contracts or agreements for civil works, goods and services (including consulting services and professional development) and managing those contracts or agreements such that to the extent possible they are completed on time, within budget and to the prescribed standards.
- b) Follow the guidelines related to project and procedures prescribed by the Department, Financial Management Manual (FMM), Procurement Manual (PM) and Environment and Social Management Framework (ESMF), and as may be prescribed from time to time by the Department for implementation of the Project.
- c) Refrain from amending the IDP without consulting the Department and obtaining its approval.
- d) Take all necessary actions to achieve the performance indicators/Targets as contained in Annexure I of this MOU and as maybe amended with the written agreement of the Department.
- e) Implement all academic and administrative reforms as committed under the Project and contained in the IDP, FMM, PM and the ESMF.

नेहरू स्मृति स्नातकोत्तर महाविद्यालय
के अर्थशास्त्र विभाग द्वारा विश्व
बैंक योजना के अंतर्गत विशिष्ट
व्याख्यान का आयोजन किया गया।

कार्यक्रम का शुभारंभ विभागाध्यक्ष डॉ. राजरानी खुराना एवं प्रो. भूमि व्यास द्वारा किया गया। विशिष्ट व्याख्यान के लिए शासकीय महाविद्यालय महिंदपुर के अर्थशास्त्री डॉ. सुनील चौधरी ने भारत में मुद्रास्फीति पर व्याख्यान प्रस्तुत किया। मुद्रा स्फीती के सूक्ष्म तकनीकी पहलुओं पर प्रकाश डालते हुए उन्होंने बताया कि भारत में मुद्रास्फीती की प्रवृत्ति किस प्रकार और देश की अर्थव्यवस्था पर इसका क्या प्रभाव पड़ रहा है।

देश की आर्थिक संरचना और किसानों की आर्थिक दशा पर चिन्ता व्यक्त की और साथ ही खाद्य मुद्रास्फीति से किसानों को उनकी फसलों का उचित मूल्य प्राप्त होगा। इससे उनकी लागत में कमी और क्रय शक्ति क्षमता में वृद्धि होगी जो आर्थिक विषमताओं में कमी लाएगी। कृषि क्षेत्र में निवेश की मात्रा में वृद्धि तथा आर्थिक शब्दावली में भी परिवर्तन किया जाए और कृषि को एक व्यवसायिक क्षेत्र के रूप में देखना होगा। कार्यक्रम में डॉ. छाया देशमुख, प्रियांशु नेमा, प्रीतम परमार आदि उपस्थित रहे। कार्यक्रम का संचालन डॉ. बीएल चौरड़िया ने किया तथा आभार डॉ. योगेन्द्र वर्मा ने माना।

Google Meet window showing a presentation titled "UV-VIS. SPECTRUM".

Meeting details: Manoj Shinde is presenting. Time: 12:41 PM. Participants: Anand Prajapati and 85 more.

The presentation slide displays the electromagnetic spectrum with frequency (ν) and wavelength (λ) scales. The visible spectrum is highlighted, showing colors from violet to red.

Electromagnetic Spectrum Diagram:

- Top scale: Increasing Frequency (ν) from 10^{24} to 10^0 Hz.
- Bottom scale: Increasing Wavelength (λ) from 10^{-15} to 10^9 m.
- Regions shown: γ rays, X rays, UV, IR, Microwave, FM Radio waves, AM Radio waves, Long radio waves.
- Visible spectrum inset: Wavelength range from 400 nm to 700 nm, showing colors from violet to red.

Meeting controls and participant list are visible on the right side of the window.

UV-VISIBLE SPECTROSCOPY

- Ultraviolet (UV) spectroscopy is an important physical tool which exploits light in ultraviolet, visible, and near infrared range of electromagnetic spectrum.
- The Principle of UV-Visible Spectroscopy is based on the absorption of ultraviolet light or visible light by chemical compounds, which results in the production of distinct spectra.
- When matter absorbs ultraviolet radiation, the electrons present in it undergo excitation. This causes them to jump from a ground state (an energy state with a relatively small amount of energy associated with it) to an excited state (an energy state with a relatively large amount of energy associated with it).
- It is important to note that the difference in the energies of the ground state and the excited state of the electron is always equal to the amount of ultraviolet radiation or visible radiation absorbed by it.

PROCEDURE

- Fill the cuvette with the sample. Make sure the outside is clean of any fingerprints, etc.
- Place the cuvette in the spectrometer in the correct direction.
- Cover the cuvette to prevent any ambient light.
- The wavelength range can be set with information about the specific sample, but a range of 200–800 nm is standard. A diode-array instrument is able to collect an entire absorbance spectrum in one run.
- From the collected absorbance spectrum, determine the absorbance maximum (λ_{max}). Repeat the collection of spectra to get an estimate of error in λ_{max} .
- To make a calibration curve, collect the UV-Vis spectrum of a variety of different concentration samples.

In collaboration with
Indian Association of Physics Teachers (RC-09)
Sponsored by the Department of Higher Education, Govt. of M. P.
Under
MPHEQIP (Academic Excellence)

The College: Jawaharlal Nehru Smriti Govt. PG College, Shujalpur, affiliated to Vikram University, Ujjain, was established in 1964 and was taken over by the State Government in 1971. The college has a student strength of over four thousand, and offers six undergraduate and 13 PG Courses including eight Self Financing Courses and four self financing subjects. The college was accredited “B” by NAAC in the year 2016.

The Webinar: As the title suggests this Webinar would, through scholarly discourses by eminent academicians and scientists, throw light on the recent trends in the sphere of physical sciences, focussing particularly on the new application and development of material science and nuclear physics. The objective of the webinar is to provide a platform for coming together of eminent academicians, scientists, teachers and students of physical sciences in the country to exchange ideas and provide valuable knowledge.

The Webinar:

The major objective behind organizing this interdisciplinary webinar is to provide a platform for discussing concepts, tools and techniques that are used in interpreting literary texts by critics and by teachers and students in the classroom. Since most teachers and critics are conversant with classical style, derived mostly from Greek and Latin rhetoricians, the discourse in the proposed webinar is expected to enlighten the audience with the modern Stylistic terminology such as Foregrounding, Deviation, Parallelism, Collocational Clash, Implicature, Presupposition etc. An attempt has been made to cover the three major genres of literature as well as pedagogy and its recent trends, and to arrange the lectures accordingly. Since this is a very promising area of literary interpretation and criticism this series of talks is expected to enhance the interest of both teachers and students of literature in adopting Linguistic Stylistic method of interpretation of literary texts. This webinar will thus go a long way in creating awareness in this relatively neglected area of research which lies at the interface between Linguistics and literary interpretation.

The College:

Jawaharlal Nehru Smriti Govt. PG College, Shujalpur, affiliated to Vikram University, Ujjain, was established in 1964 as a private institution and was taken over by the State Government in the year 1971. The college has a student-strength of over four thousand, and offers six undergraduate and 13 PG Courses including eight Self Financing Courses and four self financing subjects. The college was accredited "B" by NAAC in the year 2016.

The Webinar:

The Webinar is expected to create a platform where eminent academicians and scientists can come together to discuss and throw light on the recent scenario on viral infections, focussing particularly on the evolution of various viruses, their etiology and pathology, and associated human interventions. The objective of the webinar is to acquaint the participants with recent incidences of novel viral infections around the globe and to exchange ideas how to prevent and control such incidences of pandemic outbreak in future in the backdrop of environmental changes.

"contract letter"

Under the provision of section (viii) (ix) of the Madhya Pradesh Bhoj (Open) University Act 1001, in compliance with the Statute 11, this contract letter, State Bhoj (Open) University, Kolar Road, Bhopal has started a new study centre under its regional center Ujjain. This is being done between two parties:

First Party: Madhya Pradesh Bhoj (Open) University, Bhopal

Second Party: Government (as per Appendix 01) / Non-Government Colleges (after being approved by the Management Board) here, Jawaharlal Nehru Smriti Govt. PG College, Shujalpur.

The terms of the contract are as follows:-

1. The Principal of the institution will act as the Head of the Study Centre. In case of resignation of the Principal or another person being posted in his place, the new Principal will act as the head of the study centre. The decision of the Madhya Pradesh Bhoj (Open) University will be final to recognize the eligibility of the former principal to establish the study center and as the head of the center. The head of the center can appoint a coordinator for his cooperation at his level, who is of the level of a senior professor posted in the college.
2. Study Centre, Madhya Pradesh Bhoj (Free) for operation of Study Centre. On behalf of the University, the following works will be executed by Madhya Pradesh Bhoj (Open) University from time to time depending on the need and circumstances.
 - (1) The college will send the first and second copies of the students' admission forms within the stipulated time to MP Bhoj Open University Headquarters at Bhopal, and a third copy will be retained by the study centre along with other related records.
 - (2) By distributing the study material received from Madhya Pradesh Bhoj (Open) University among the students, the study centre should ensure that all the admitted students get the study material. In case of shortage of study material it would be the responsibility of the study centre to get more material from the University as early as possible.
 - (3) It will be the responsibility of the Study Center to conduct in an academic year 13 theory classes and 13 practical classes where applicable as per the University Ordinance no. 60/61 and inform the university, the regional centres and the students.
 - (4) It will be the responsibility of the study centre to collect the sessional answer books from the admitted students within the prescribed time limit at the study centre and forwarded to the regional centre
 - (5) It will be the responsibility of the study centre to provide basic amenities like clean, ventilated and lighted space, clean drinking water, toilets (separately for male and female students) and other basic facilities which are necessary for the study center during theory and practical contact classes and year end examinations for the admitted students.
 - (6) The head of the study center and the main staff members such as coordinators, teachers, all clerks etc. will be paid the honorarium fixed by the university as per the rules of the university.

Principal
J.N.S. Govt. PG College
Shujalpur, Dist. Shajapur (M.P.)

(7) The Study Center will not collect any fees from the students directly or indirectly other than those prescribed by the university.

(8) The expenditure which will be incurred in partial infrastructure such as furniture, computer etc. for the study center will be reimbursed by the first party: the University only at the initial stage.

(9) On pro-rata basis, 80 percent of the fee received from the total registered students in the college will be transferred to the university and 20 percent to the account of the Janbhagidar Samiti (Public Participation Committee) of the college. This amount will be utilized for contact classes and examination of which utilization certificate will have to be presented by the study center to the university.

(10) A list of the colleges in which study centers of Madhya Pradesh Bhoj (Open) University are being transferred/established is attached in Appendix 01.

(11) However, if the number of admission is less, the university will reimburse the difference in the expenditure incurred for the contact classes and the fees collected.

(12) It will be the responsibility of the study centre to provide proper classrooms, laboratories and other facilities to the students in order to maintain the continuity of the Study Center.

(13) In order to achieve the objective of the aim of the open education system, Madhya Pradesh Bhoj (Open) University will bring out from time to time necessary orders, instructions, terms and conditions and these will have to be strictly followed by the study centre.

(14) It shall be the responsibility of the Study Center to cooperate with the team constituted by the Madhya Pradesh Bhoj (Open) University in the inspection of records and examinations etc. including all the activities conducted by the Study Centre.

Under the following circumstances, the university has the right to cancel the recognition of the study center-

1. The study center is not being operated as per the recognition provisions.
2. Indulging in any kind of irregularity or anti-social activities in the study center.
3. The Study Center is charging directly or indirectly from the admitted students any amount in addition to the fee prescribed by the University, which is contrary to the provisions prescribed in the terms of the contract.
4. Recognition will be canceled if contact classes are not conducted as per rules of the university.
5. Sessional work and semester examinations are not being conducted smoothly.
6. The study materials provided by the university to the registered students are not being distributed among the students as per rules.
7. The rules of admission prescribed by the University are being violated.
8. Accounts are not being maintained by the Study Center as per University rules.

9. Any private institution, which is run by a Committee, merges its parent committee with another committee without the permission of the University.

10. On changing the location of the study center without any prior notice and permission.

In addition to the above reasons, if the University is dissatisfied on any point can cancel the recognition, but before doing so, the study centre will be given a chance to be heard and clarify their side.

3. Three originals of this contract are being signed, one copy of which are being handed over to the Registrar, Madhya Pradesh Bhoj (Mukat) University, Kolar Road, Bhopal, second copy to the second party Principal Jawaharlal Nehru Govt. College, Shujalpur and third copy to Regional Director, Regional Center Ujjain, which can be used in the proceedings from time to time.
4. Every page of this contract is being signed by both the parties and there is no correction/over writing in any page.
5. The committee mentioned in Rule 11 will be authorized to decide the honorarium to be given to the Center Superintendent/Assistant Center Superintendent or any other appointments made at the centre and any other subjects related to this.

This agreement is being made on this date 22/11/21 with the consent of both the parties in fully conscious state and understanding, and in the presence of witnesses and the said conditions are being accepted by both the parties.
